Product Description

Professional business atmosphere: With its multi-style and multi-flower design, this artificial conference tabletop floral arrangement provides a professional and elegant atmosphere for business meetings, showing the company's professional image.

Customization options: According to the different needs of the conference occasion, different styles and patterns can be selected to achieve personalized customization, making the conference site more consistent with a specific theme or style.

Environmental protection and durability: Artificial simulation flowers are made of high-quality silk material, which not only has a realistic appearance, but also ensures the durability of the flower arrangement, allowing it to be reused many times, in line with the concept of environmental protection.

Improve the conference experience: By placing these exquisite floral arrangements on the conference table, you can not only enhance the conference experience of attendees, but also inject a pleasant visual enjoyment into the conference site.

Show details

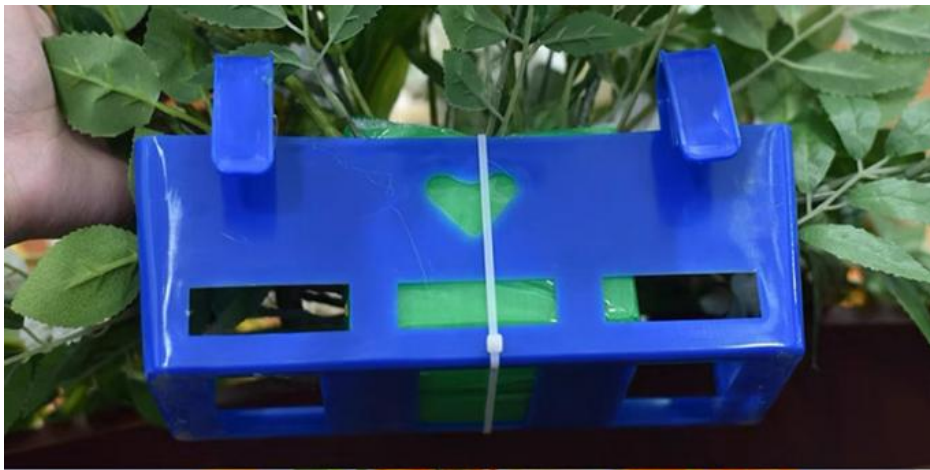

1. High quality flowers and leaves

The material of the flowers is soft silk with fine texture, and the dyeing is natural.

2. The leaves and branches are flocked to simulate real and natural flower patterns, bringing the closest to natural experience, realistic, beautiful and high-grade. The leaves have clear and lifelike textures with a moist feel.
